

**Convenient, accessible, affordable
- Healthcare the way it should be.**

HIV Prevention Made Easy

NowPrEP is an app-based telehealth platform that provides easy and affordable access to HIV PrEP.

The most comprehensive platform for HIV PrEP - NowPrEP alleviates the hassle of scheduling doctor visits, lab testing, and driving to the pharmacy to pick up prescriptions.

How Does NowPrEP Work?

NowPrEP works with doctors, drug manufacturers, and clinical laboratories to enable the most seamless and affordable telehealth platform for HIV prep. Here's how it works.

- 1** Patients sign up and fill out a health assessment to determine whether NowPrEP is appropriate.
- 2** Based on that assessment, a NowPrEP physician will order a lab and communicate with the patient next steps.
- 3** Finally, if PrEP is prescribed NowRx will deliver the medication same-day for FREE!

With NowPrEP, people at risk for HIV finally have an easy and affordable "one-stop-shop" solution for HIV PrEP.

- **Free Consultation & PrEP Assessment**
- **Full Testing & Lab Integration**
- **Free Same-Day Prescription Delivery**
- **5 Star Rated Customer Service**
- **Discreet Medication Packaging**
